Engagements / Projects:

Period: **01/2016 – 12/2020**

Company: PASS Banking Solutions, Bad Mergentheim (D)

Business: Banking / Software

Projekt: Developer/Sub-Project-Lead Core Banking Systeme

Type: Contract

Software: PASS CBS, RPG, CL, SQL

Hardware: iSeries, PC

Reference: Holger Englert, holger.englert@pass-consulting.com, +49 7931 964-280

- Creating requirements analysis
- Build business management solutions with the introduction of the Core Banking Suite
- Create professional conceptions of CBS software (development , maintenance)
- Participation in technical solutions of the CBS software
- Programming Module Asset Accounting
- Development of Module Payments

Period: **03/2015 – 12/2015**

Company: Puma SE , Herzogenaurach (D)

Business: Textil / Trade

Project: Maintenance and Process of EDI-Messagetype

Type: Contract

Software: WareCat ERP, Lobster, EDI, RPG, CL, SQL

Hardware: iSeries, PC

Reference: Michael John, michael.john@puma.com, +49 9132 81 2488

- Maintenance and Process of EDI-Messagetypes in the iSeries based ERP-System
- Mapping of EDIFACT ORDERS, ORDRSP, DESADV, INVOIC
- Support, Test and Error-Correction

Period: **01/2015 – 01/2015**

Company: Berner Group – Kent , Künzelsau (D)

Business: Trade

Project: System- and Risk-Analysis of JDEdwards + iSeries Installation

Type: Contract

Software: JD Edwards World A9.2

Hardware: iSeries, PC

Reference: Wolf Drexel, mailto:wolf.drexel@berner-group.com, +49 7940 121 570

- System- and Risk-Analysis JD Edwards and iSeries

web: www.hirsch-it.de

Period: **01/2014 – 12/2014**
Company: Alps Electric Europe GmbH, Düsseldorf (D)
Business: Automotive
Project: EDI & JDEdwards Support
Type: Contract
Software: JD Edwards World A 7.3, RPG/400, RPG/ILE, CL/400, SQL, EDI
Hardware: AS/400, PC
Reference : Aldona Wielgus, aldona.wielgus@alps-europe.com, +49 211 5977 273

- EDI Support and Modifikationen
- Creation/Modification of EDI-Mappings (Odette, VDA and EDIFACT)
- Support and Modifications JD Edwards
- Program-Modifications JD Edwards Warehouse Interface

Period: **12/2010 – 11/2013**
Company: GlaxoSmithKline Consumer Healthcare, Bühl (D), Herrenberg (D)
Business: Consumer Healthcare
Project: Operations/Support AS/400 + ERP-System JD Edwards World
Type: Contract
Software: JD Edwards World A 7.3, RPG/400, RPG/ILE, CL/400, SQL, TrustedLink EDI, Remedy
Hardware: AS/400, PC
Reference: Klaus-Dieter Buhre, klaus-dieter.kd.buhre@gsk.com, +49 7223 76 2385
Jürgen Groeppner, juergen.groeppner@gsk.com, +49 7223 76 2162

- Administration and Support AS/400
- Support and Modification of ERP-Systems JD Edwards World A 7.3
- Automatic Password-Reset-Tool
- Automatic User-Creation Program with JD Edwards Security
- IT-Support/Programming for Selling of Factory (new Environment for JD Edwards ERP and BPCS Manufacturing)
- XML-Master-Data Import into JD Edwards
- EDI Support and Modifications

Period: **02/2010 – 11/2010**
Company: LR Health & Beauty Systems AG, Ahlen (D)
Business: Cosmetics
Project: Support Order-Entry - and Distribution-Software
Type: Contract
Software: NeMiSys ERP-Software, RPG/400, RPG/ILE, CL/400, SQL
Hardware: AS/400, PC
Reference: Madelaine Grundmann, m.Grundmann@lrworld.com, +49 2382 7060 967

- Support Order-Entry-Software NeMiSys
- Error-Correction RPG-Programme
- Creation of Reports
- Data-Migration to Lawson M3
- Data-Extract for Sales Force
